

ShopMobility UK

Providing a network of local centres which hire mobility scooters and wheelchairs for everyone, of all ages, to enjoy independence outdoors.

What is ShopMobility UK?

ShopMobility UK is a nationwide network of centres which hire out mobility equipment to the public. This equipment is mainly manual wheelchairs, powered wheelchairs and mobility scooters so people with restricted mobility can enjoy independence outdoors. These hire services are low cost or sometimes free to all ages of people looking to access shops and leisure facilities.

ShopMobility centres only provide reliable and comfortable products that ensure confidence and peace of mind. If walking longer distances is a problem or spending time outdoors with friends and family is challenging, ShopMobility UK can help.

Who can benefit from ShopMobility?

Anybody can use local ShopMobility services. ShopMobility is not only for elderly individuals or people with chronic disabilities, it provides support for those restricted by temporary illness or injury. Maybe you have broken your leg or have strength problems after an operation? Do you have a child with disabilities who needs pushing in a wheelchair? Or simply you find walking longer distances difficult? Whatever your need, each centre is ready to help you access local shops and facilities with appropriate mobility equipment.

We are 100% committed to providing freedom without restrictions – ensuring improved well-being and reduced isolation across the UK.

How much does it cost to hire equipment?

Hire costs vary at each local ShopMobility centre; however, typically they are very low or sometimes free!

The option to simply leave a discretionary donation is also a choice at some centres. Most centres are flexible with the length of time you can hire a product – each team member will

help you as much as they can. For details on pricing and services offered, it is always best to speak to your local centre.

What is the relationship with Driving Mobility?

ShopMobility UK is operated by Driving Mobility.

Supported by the Department for Transport, Driving Mobility is a national charity that accredits a network of driving and mobility assessment centres. Its 21 centres, with over 70 outreach facilities, provide a range of services from 'fitness to drive' assessments to advice on mobility equipment. Service users either self-refer or are signposted from the DVLA, Motability, Police and NHS. Staff include Occupational Therapists and Approved Driving Instructors who deliver a clinically led service to ensure everyone can drive or remain mobile safely.

By operating within Driving Mobility, ShopMobility UK is able to provide a wider range of services and offer greater access to mobility equipment. Centres are able to easily share ideas and work together for the benefit of service users across the country.
