Thanks to Colin Mitchell for sharing his exciting project.

*Best wishes Lisa*

## June 2021

Welcome to the 3<sup>rd</sup> issue of your membership newsletter!

Chesterfield and District ShopMobilityTracks and Trails Chesterfield and District has an exciting new project for people living in the Chesterfield District Council area. This project is for people with mobility difficulties who may wish to explore traffic free tracks and trails at their leisure- or just go to the local park to get out and about after being isolated during the pandemic. Members can visit our beautiful local parks or tracks and trails near to them. We are flexible and will aim to put together a package to suit a member's requirements, whether you are a small group or a solo walk. We have a short registration process and driving test for health and safety purposes. We are based on the ground floor of the multi-storey Car Park attached to the shopping centre, our service is recognised by Derbyshire County Council Trusted Trader. We have a wide range of Mobility Scooters, Power chairs and manual wheelchairs to choose from, we are sure you will something to suit your needs. Our qualified staff and volunteers are on hand to provide friendly, expert guidance and safety instructions. For full details of the services we offer, visit our website [chesterfield.shopmobility.org.uk](http://chesterfield.shopmobility.org.uk) and Facebook page.

Or call us on 01246 559331
