July 2021

Welcome to the latest issue of your new membership newsletter!

Thank you to Penny Hardman from Lincoln Area DialaRide. See below an insight of what's going on.

We have been busy this week with 60% of our equipment out on Monday.

We have been open during Lockdown, primarily with our DialaRide and VCS services, but have hired equipment out to assist people getting around for essential purposes.

We relocated our office just before lockdown and the Lincolnshire Co-op kindly supported us by buying 10 new mobility scooters, 1 powered wheelchair and two additional boot scooters.

The difference between the old office and the new one is amazing. Our footfall (outside Covid restrictions) is amazing and we are getting more visitors using the service.

Please keep your stories and news coming in.

I would like to welcome our new members this month, Ashford ShopMobility and Melton and Mowbray.

Best Wishes

Lisa Deacon,
